

Stay connected, increase appointments

AUTOCARD

When was the last time you sent a thank you card or checkup reminder to your patient case? We've found that most doctor's offices simply don't have time to manage ongoing marketing effort to valuable patients.

We've got the solution.

Our AutoCard marketing service will automatically send personalized post-cards, greeting cards, and even brochures to your current patient database. We can even design campaigns that deliver cards to your patients at regular interval throughout the year.

You can increase appointments and build upon the valuable relationships you have with your patients. We will set up automated marketing based on your needs with a wide variety of options: flu shot reminders, back-to-school physicals, yearly check up reminders, and even follow-up cards to ensure your patients continue to choose you for their healthcare needs.

Set your marketing on autopilot, and let AutoCard service increase patient satisfaction and improve your bottom line,

- Automated Campaigns
- Improve Patient Retention
- No Hassles, Big Results
- Increase Referrals
- More Appointments
- Promote New Services
