

Improve your reimbursement rates up to 30%

Seamless. Designed to fit your workflow. Personal attention that will fully optimize your reimbursement process.

It's not always as simple as choosing the right codes for each patient encounter. More importantly, you need to use the best codes that can correctly balance revenue optimization with steadfast compliance.

Stop the guesswork, and start increasing your revenue with the help of our expert CodeRite coders.

With CodeRite, a certified coding specialist will personally review your claims to make sure you're getting the maximum reimbursement for every patient encounter.

Coding reviews are delivered within 24 hours and results are available in a real-time reporting system or delivered securely into your practice management system.
